CLERK OF THE SUPREME COURT
STATE OF MONTANA

① of

From being involved in ^{the} Appellate process's
involved herein, and case no. (DC-07-53, now
no DA 09-0556 as supplied by this court's
clerk) For good cause, To-wit.,

A Appellate can show any proper
judicial court that the Montana
State Public Defender System, is a
HOAX in pretending to be meaningful
in representing the disadvantaged
citizens of this state, like Appellate.

B Appellate feels for good cause and
documented proof that the states ^{DMSI}
~~DO~~ office was created by the state
to cover-up the criminal actions of its
OSPD office personnel, and to use its
power to block truth from coming
before this court.

C Appellates allegations are true and
correct, and documented, yet the

STATES "DAD" has shown no interest
AT ALL in The criminal activities being
conducted against their clients like
Appellate by The corruption of The STATES
Avallie County OSPD office

Conclusion

I'm asking The court To remove any
and all state public defenders from this cause,
and if The court can't appoint an attorney
that is able to assist appellant as prescribed
by this state and this nations constitutions, then
I am demanding to represent myself on this
appeal, and I ask The court to conduct a
Hearing in this regard for good grounds, To wit,

1. Defendant-appellant's court orders and
documents on this cause was in part taken
From him the day he entered The montana state
Prison by M.S.P. officer "George Smith"
Officer Smith tampered with these case
file documents, destroyed some, and forced
appellant to send some of these documents
out under the threat that they would
otherwise be destroyed. Appellant's request

For state redress has never been responded
To, see attached.

2. in attempting to communicate with this
court, the montana state prison withheld and
refused to allow appellant send documents
to this court. That too is well documented.
